PERMIT TO PROCEED

In accordance with Article 105.1.4 [Phased Approval] of the Ohio Building Code, the Geauga County Building Department, certified by the Ohio Department of Industrial Relations, hereby extends to the:

Applicant: _____

For: _____

Location: _____

105.1.4 Phased approval

The building official shall issue an approval for the construction of foundations or any other part of a building, structure, or building service equipment before the construction documents for the whole building, structure or building service equipment have been submitted, provided that adequate information and detailed statements have been filed complying with applicable requirements of this code. The holder of such approval for the foundation or other parts of a building or structure shall proceed at the holder's own risk with the building operation and without assurance that an approval for the entire structure will be granted. Such approvals shall be issued for various stages in the sequence of construction provided that all information and data required by the code for that portion of the building or structure has been submitted. The holder of a phased plan approval may proceed only to the point for which approval has been given.

A **“Permit to Proceed”** For Footings and Foundations for the construction presently under review and described above.
